## sp<sup>2</sup> Digital Edition September 2011

Welcome to the **September 2011 Digital Edition** of *sp<sup>2</sup>*, delivered **FREE** to your browser. You can browse through the magazine and, by turning on the links on the editorial and advertising pages, access the Web pages of editorial contributors and advertisers for further information on the companies and organisations relevant to your business.

The Digital Edition also allows you to save the issue to your hard drive; print hard copies of specific articles or pages; and send articles and news items to your colleagues.

The Digital Edition provides readers with the valuable information of the magazine in advance of publication of the traditional edition.

When you register to receive the Digital Edition, we will both be making a contribution towards reducing our carbon footprints.

We are sure you will find the September 2011 Digital Edition useful in providing you with the information you need to manage your business in drug discovery and development.

To register and receive the **September 2011 Digital Edition** of *sp<sup>2</sup>* and guarantee your **FREE** delivery every month, ensure you sign up by [clicking here](#)
